Any additional identifying characteristics or helpful information should go here!

It has my name on it! My name is "Edward Filbo".

Also, I think I left it plugged in where the fridge originally was plugged in, you should plug the fridge back in!!

New Message to Wendy Schmendy:

Hi Wendy! I believe you found my charger... I left it behind at my desk in the Rock Basement and it has my name on it. Call me at 555-7455 when you get the chance!
